The Sierra Madre mountain range is seen from Quezon City on a cloudy Friday noon.

Stretching more than 540 kilometers along eastern Luzon, the Sierra Madre serves as a natural barrier against Pacific typhoons and a vital watershed that helps supply water to Metro Manila.

Meanwhile, the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) is monitoring a tropical cyclone east of the country that could intensify into a super typhoon and enhance the southwest monsoon (Habagat) next week. Good interview this. Much better than some of the awkward ones I've seen lately on Tennis Channel. Eala felt comfortable enough to share.

NAGPAKILALANG BAGONG jESUS AT BAGONG 12 aPOSTLES SA ZAMBOANGA DEL NORTE!

Sila ay miyembro ng Kingdom of Priest ng Zamboanga del Norte.

Ang simbahang ito ay tatag lang ni Yabo na kanila diumanong Papa na may tatlong kabiyak.

Mananatiling matatag kapatid sa Pananampalatayang Katoliko na itinatag ng Panginoong Jesus.

Ito ay malinaw na katuparan sa propisiya na nakasulat sa Mat. 24:4-5,11-12, 24-25.

WATCH: Super Typhoon Bavi lashes Rota Island
Powerful winds and heavy rain are pounding Rota Island in the Mariana Islands as the center of Super Typhoon Bavi moves across the area on July 6.

Bavi, which will be named “Inday” once it enters the Philippine area of responsibility, has grown into a large and dangerous cyclone over the Pacific.

The Japan Meteorological Agency classified Bavi as a violent typhoon, with winds of up to 195 kph and gusts reaching 280 kph based on 10-minute sustained winds.

The Joint Typhoon Warning Center of the United States, meanwhile, maintained Bavi as a Category 5 super typhoon, packing winds of up to 270 kph and destructive gusts of up to 325 kph based on 1-minute sustained winds.

The storm is forecast to enter the Philippine area of responsibility by Wednesday morning, where it will be locally named Inday.

Bavi is not expected to make landfall in the Philippines, but it may strengthen the southwest monsoon, or habagat, bringing rains over large parts of the country, including Metro Manila, beginning Wednesday and Thursday.

Residents are advised to monitor official advisories and prepare for possible heavy rains, flooding and rough seas. | Video: Masum Dhali/NMI News Service

#SachznaLaparan, ibinunyag ang utang ng kanyang ex-boyfriend na si Mark Pascual. Pero giit niya, hindi na raw kailangang bayaran iyon.

"Gusto kong bumangon ka ulit kahit wala na ako sa tabi mo," saad niya sa isang post.

"Alam ko kung gaano ka lumaban para sa'kin. Ilang beses mong sinabi na ako yung dahilan kung bakit ka nagpapatuloy. Pero ngayon, sana lumaban ka naman para sa sarili mo. Alam kong kaya mo, at naniniwala akong babangon ka ulit," dagdag pa niya.

SENATOR-JUDGES
All members of the Senate serve as jurors during the impeachment trial. They hear the arguments of both the prosecution and the defense, impartially assess the evidence presented, and ultimately vote on whether to acquit or convict the impeached official.
Senators shall observe political neutrality during the course of the impeachment trial. “Political neutrality shall be defined as exercise of public official’s duty without unfair discrimination and regardless of party affiliation or preference.”
An official who has been impeached is considered "convicted" (or acquitted) if at least two-thirds (2/3) of all Senate Members find her guilty (or not guilty) regarding the charges.
If convicted, the individual is removed from public office, and the Senate may also choose to impose an additional penalty of permanent disqualification from holding any future public office.

TLC +1 NEW UNACCEPTABLE
CHUCK LORRE PRODUCTIONS, #498
THE ONE-HOUR OFFICE NAP
Four o'clock in the afternoon. The couch waits like a hug from Grandma. The shades are drawn. Shoes off. Wristwatch off. Phone off. Maybe pants. Optional. Dependent on exhaustion level versus concern over wrinkling. Body sinks into cushions. Mister Head, meet Mister Pillow. Mister Pillow, meet Mister Head. One Mississippi. Two Mississippi. Three... oblivion. Effervescent dreams. Alka Seltzer brain bubbles. Fifty-five minutes later, consciousness. Reorientation. Where am I? Who am I? Check time. Five minutes before youthful assistant, who has to be wondering why she bothered to go to college, knocks on the door. Sleep more? No. Better to lie here and worry. Five minutes not enough. Then the firm rap on the door. "Okay," I call out. Dress. Lights. Open door. Congealing dinner arrives in styrofoam clamshells. Delivered by smiling youthful production assistant who also can't quite believe he went to college for this nonsense. "Thank you," I say to mask my guilt. Eat alone while mindlessly switching TV channel between CNN, MSNBC and FNC. Rested, recharged and thoroughly depressed. Ride golf cart to stage. Make sitcom.

Ronaldo took the moment on the eve of a round of 16 clash with border rival Spain to repeat something he has said at least once before.

This sixth World Cup for the former Manchester United and Real Madrid star will be his last.

“What remains with me is the people — the people who love you. I share hotels with the staff, Latino people, and those are spectacular memories. Yesterday on the flight, there was an Argentine flight attendant. And knew she was Argentine by the way she looked at me: ‘I knew you were Argentine by the way you looked at me. If you look away quickly, it means you don’t like Cristiano,’” Ronaldo said in translated remarks Sunday, breaking into a smile.

“I want to enjoy what will be my last World Cup to the fullest,” Ronaldo continued. “Hopefully, tomorrow won’t be my last match. That way, you can keep bashing me some more.”

Ronaldo, the career leader in international goals with 146, made similar comments in a television interview late last year, a few months after Portugal won the UEFA Nations League title with a riveting victory over Spain in a penalty shootout.

Many of the questions for the 41-year-old during a 25-minute session at the home of the NFL’s Dallas Cowboys referred to what everybody in the packed room was assuming: This was it for Ronaldo.

Before the end, he joked with reporters that they were pushing him out the door. Just about every time he did, though, he would turn philosophical.

“There’s nothing missing,” Ronaldo said. “God was so generous toward me. He gave me everything I never expected to win, especially at the national team. And personally, the same thing. So it’s enjoying every moment. I’m not going to be more Cristiano or less Cristiano because I win the World Cup. Of course, we all have hopes, myself especially, and we all want all the conditions to win. But we know that only one is going to win.” | via Associated Press

‘MAKUKULONG NINYO KAMI AT MAPATATAHIMIK PERO HINDI PO KAMI SUSUKO'

Ito ang pahayag ng dating kongresistang si Mike Defensor kasunod ng inilabas na arrest warrant ng Sandiganbayan 3rd Division laban sa kanila ni Sen. Rodante Marcoleta at dalawa pang iba.

Isa si Defensor sa donors umano ni Marcoleta sa P75 million campaign donations na hindi nito idineklara sa SOCE at SALN.

“Kaming lumalaban sa korupsyon ang nauna pang nakulong sa isang kasong walang batayan,” saad ni Defensor.

“Makukulong ninyo kami at mapatatahimik pero hindi po kami susuko,” dagdag pa niya.

PANOORIN: Sa isang pahayag, iginiit ni dating Rep. Mike Defensor na walang batayan ang kasong plunder at indirect bribery na isinampa laban sa kaniya, kung saan kapuwa niya akusado si Sen. Rodante Marcoleta.

Ngayong Lunes ng umaga, July 6, inilabas na ng Sandiganbayan Third Division ang arrest warrant laban kina Marcoleta, Defensor at dalawa pang iba kaugnay ng kasong plunder.

im gonna post this on my main channel just so i really get everybody's attention on this: if you see me post a MySpleen recording over on @willnetworkbarbados, and its your recording, and you're not comfortable with that, PLEASE LET ME KNOW. comment on the video, dm me on discord, i'll delete it immediately. when i go through MySpleen recordings, i look for two things: 1, does the op list a warning on their account for that? and 2, has the recording been already posted on youtube.

'HINDI KAILANGANG MAGING BASTOS'

Nagpasaring si Palace Press Officer Usec. Claire Castro sa mga aniya'y iniidolo ng mga raliyistang Pinoy na kumuyog sa kanya sa Vancouver, Canada.

Kinuwestiyon din ni Castro ang naratibo ng mga nagpoprotesta gaya ng: "PBBM Resign!", "maleta," at "magnanakaw."

May freedom of expression tayo pero hindi naman kailangan maging bastos... Kung sino man ang iniidolo nila, siguro sanay sa pagiging bayolente.

Magsisimula na ngayong araw ang impeachment trial ni Vice President Sara Duterte. Isa sa mga nakatakdang talakayin ang posibleng pagbubukas sa "BIR Green Box" na naglalaman ng umano'y tax records nina VP Sara at ng kanyang asawang si Atty. Mans Carpio. Kabilang ang tax records sa mga tinukoy ng prosekusyon na ebidensiya para patunayan ang umano'y unexplained wealth ng bise presidente. Nauna nang tinutulan ng depensa ang pagbubukas ng naturang kahon.

Ikaw kapatid, ano sa tingin mo ang dapat mangyari sa "BIR Green Box" sa impeachment trial ni VP Duterte? #VPSaraOnTrial

‘VICE PRESIDENT SARA DUTERTE HAS MADE IT CLEAR THAT SHE IS PREPARED TO FACE THE CHARGES AGAINST HER’

Davao City 1st District Rep. Paolo “Pulong” Duterte released a statement on the upcoming impeachment trial against his sister, Vice President Sara Duterte.

“Like many Filipinos, I hope the proceedings will be conducted fairly, professionally, and without unnecessary distractions,” he said on Monday.

He also said that the Vice President is “prepared to face the charges against her.”

“We are confident that she will be given the opportunity to answer every allegation in the proper forum and under the proper process,” he added. (Facebook/Paolo Duterte)

STATEMENT OF REP. PAOLO "PULONG" DUTERTE

Today marks the start of the impeachment trial of Vice President Sara Duterte.

Like many Filipinos, I hope the proceedings will be conducted fairly, professionally, and without unnecessary distractions.

More importantly, I hope this process finally allows the truth to emerge from the mountain of accusations, speculation, political narratives, and noise that have surrounded this issue for months.

The Filipino people deserve facts, not rumors. Evidence, not innuendo. Truth, not propaganda.

Vice President Sara Duterte has made it clear that she is prepared to face the charges against her. We are confident that she will be given the opportunity to answer every allegation in the proper forum and under the proper process.

As the proceedings begin, I ask everyone to allow the Senate impeachment court to do its work and to approach this historic process with an open mind.

At the end of the day, political attacks may generate headlines, but only the truth can stand the test of scrutiny.

We remain hopeful that this trial will not only settle the issues being raised but also expose the motivations behind them.

Let the evidence speak. Let the facts prevail. Let the truth come out.

BAKIT PLUNDER CASE ANG ISINAMPA LABAN KAY SEN. RODANTE MARCOLETA?

Inaresto ngayong umaga si Sen. Rodante Marcoleta kaugnay ng kasong plunder.

Pero bakit plunder ang isinampa laban sa kaniya? Maaari bang magkaroon ng plunder case kahit pribadong pondo ang sangkot?

Basahin ang Explainer ng GMA News upang maunawaan ang batayan ng kasong isinampa laban sa senador.

₱75 MILLION

OFFICE OF THE OMBUDSMAN
REPUBLIC OF THE PHILIPPINES
Bakit plunder ang isinampa laban kay Sen. Rodante Marcoleta?
Sinampahan ng Office of the Ombudsman ng kasong plunder si Sen. Hindi idineklara ng senador sa kanyang Statement of Assets, Liabilities, and Net Worth (SALN) at Statement of Contributions and Expenditures (SOCE) ang detalye ng mga donasyong kaniyang tinanggap.

Pasok ba ang private funds dito?
Sa ilalim ng Republic Act No. 7080 (Plunder Law) as amended by Republic Act No. 7659, nagkakaroon ng plunder o pandarambong kapag ang isang public officer ay nagkamal ng ill-gotten wealth. Maaari niya itong gawing mag-isa o may kasabwat na mga miyembro ng kanyang pamilya o ibang tao. Ang kabuuang halaga ng nakamal ay dapat hindi bababa sa P50 million sa pamamagitan ng serye ng tahasang kriminal ng mga gawain tulad ng:
- maling paggamit ng pondo o malversation of public funds
- pagtanggap ng komisyon, regalo, porsyento, kickbacks at iba pang benepisyo na may kaugnayan sa anumang kontrata o proyekto sa gobyerno o dahil sa posisyon ng naturang opisyal
- ilegal na disposisyon ng mga ari-arian ng gobyerno
- pagtanggap ng shares of stock, equity atbp. o pakikilahok sa anumang negosyo
- pagtatatag ng mga monopolyo (pang-agrikultura, industriyal o komersyal) o pagpapatupad ng mga kautusan na naglalayong makinabang ang mga partikular na tao o mga espesyal na interes
- pananamantala sa posisyon o koneksyon upang pagyamanin ang sarili
Dahil ₱75 milyon ang halagang tinutukoy sa reklamo, lampas ito sa ₱50 milyong threshold ng Plunder Law.
Sa ilalim ng batas, hindi kinakailangang magmula sa kaban ng bayan ang perang tinanggap upang maituring na plunder. Matatandaan na sa kasong plunder na isinampa laban kay dating Pangulong Joseph Estrada, nagmula umano sa jueteng ang perang sangkot.

Ano ang depensa ni Marcoleta?
Mariing itinanggi ni Sen. Marcoleta ang mga alegasyon. Ayon sa kaniya:
- wala siyang ginawang ilegal
- ang kaso ay may kaugnayan umano sa kaniyang naging imbestigasyon sa mga anomalya sa flood control projects
- ang mga donasyon ay legal at hindi kapalit ng anumang pabor
- gusto lamang siyang ipakulong upang pigilan ang kaniyang imbestigasyon sa flood control scandal at upang hindi makalahok sa impeachment trial ni VP Sara Duterte
PAHAYAG NG OMBUDSMAN
"This was not a decision made lightly or by choice. The evidence includes three cash donations totaling P75 million, undeclared in the senator's SALN and campaign finance reports. This leaves our office no discretion to look away. These facts are not in dispute; the senator has publicly confirmed receiving the money, and they can be stipulated at the onset of trial. What remains is a question of law: whether these undisputed facts constitute plunder and bribery. We took an oath to enforce the law regardless of who is involved, and that oath does not waver for popularity, position or personal relationships."
- Asst. Ombudsman Mico Clavano

WHAT WE KNOW SO FAR: SEN. MARCOLETA, ARESTADO SA KASONG PLUNDER

Inaresto si Sen. Rodante Marcoleta ngayong July 6, 2026, sa bisa ng warrant of arrest na inilabas ng Sandiganbayan Third Division.

Inihain ang kaso dahil hindi idineklara ni Marcoleta sa 2025 SOCE at SALN niya ang pagtanggap niya ng P75 million noong kongresista siya at bago ang campaign period na tumakbo siyang senador noong 2025.

Posibleng dalhin sa Quezon City Jail Male Dormitory sa Payatas si Marcoleta, ayon kay Sandiganbayan 3rd Division Chairperson Associate Justice Karl Miranda. Narito ang #WhatWeKnowSoFar, as of 10:45 AM, July 6, 2026.

Happy 30th Birthday,langga **Joeff**.

Today, my heart is full of gratitude to God for the gift of your life. Thank You, Lord, for blessing me with a husband who loves wholeheartedly, leads our family with strength and kindness, and never stops believing in us.

We've been together since we were 16, and every year has been another reminder that God's timing and plans are always better than our own. Thank you for growing with me, dreaming with me, and building this beautiful life and family together.

My prayer is that God continues to bless you with good health, wisdom, peace, and countless more years filled with His favor. No matter where life takes us, I'll always be grateful that He chose you to be my husband.

Happy Birthday, langga. We love you always.

BUMISITA SA SIMBAHAN

Ibinahagi ni Vice Pres. Sara Duterte ang ilang larawan ng pagbisita niya sa Archdiocesan Shrine of St. Vincent Ferrer sa Bogo City, Cebu noong nakaraang linggo.

Ayon sa Bise, nagtirik siya ng kandila para ipanalangin ang kapayapaan ng bansa at ang kaligtasan ng mga Pilipino, gayundin ang tuloy-tuloy na pagbangon ng Bogo City mula sa nagdaang lindol.

Kasama rin daw sa kanyang mga dasal ang pag-uwi ng kanyang ama na si dating Pangulong Rodrigo Duterte na kasalukuyang nakakulong sa International Criminal Court (ICC).

MARCOLETA, ARESTADO MATAPOS ANG COURT ORDER NG SANDIGANBAYAN

Opisyal na pinahayag ng Sandiganbayan Third Division ang pagkaaresto kay Sen. Rodante Marcoleta ngayong Monday matapos patawan ng arrest warrant sa kasong non-bailable plunder charges buhat ng alleged nondisclosure ng halagang P75 million in campaign donations.

Ayon sa abogado ni Marcoleta, sumuko ang kanyang client dahil nasa Sandiganbayan na rin ito at upang magpakita ng “act of good faith” nang patawan ng arrest order.

"Pagpunta ko rito, inaasahan ko na lahat, mga proseso na gagawin. Kagaya ng sinabi ko sa inyo, ako ay hindi magtatago. Haharapin ko ang batas, ang asunto, sang-ayon sa pagkakaintindi ko sa mga batas natin," saad ni Marcoleta.

'TAWAGAN NINYO PO ANG MALACAÑANG'

Senator Pia Cayetano urges the Senate majority to call Malacañang to hold a special session during the impeachment trial on Monday.

"If his honor will insist that we have to be in session to amend the impeachment rules, edi tawagan ninyo po ang Malacañang. Nagpa-special session naman po siya diba," she said.

"Kung ipa i-insist niyo na 'yang impeachment amendment na 'yan kailangan gawin in special session, magpapatawag tayo ng special session. Mukha namang very supportive naman ang Malacañang sa majority," Cayetano added. (Screenshots/Senate)

MALAKING SUPER BAGYONG 'INDAY' NAKATAWID NA NG MARIANAS; POSIBLENG MAGTAAS NG WIND SIGNALS HANGGANG SA SILANGANG BAHAGI NG SOUTHERN LUZON AT VISAYAS! ⚠️🌀

UPDATE: Patuloy na binabantayan ang Super Typhoon Bavi habang nasa Karagatang Pasipiko at inaasahang papasok sa Philippine Area of Responsibility (PAR) sa huling bahagi ng Martes o madaling araw ng Miyerkules, kung saan tatawagin na itong #IndayPH.

Kalagayan ng Bagyo (As of 10:00 a.m., July 6, 2026):
• Lokasyon: 2,215 km silangan ng timog-silangang Luzon (labas ng PAR)
• Lakas ng hangin: 205 kph
• Pagbugso: hanggang 250 kph
• Kumikilos pakanlurang-hilagang-kanluran sa bilis na 20 kph

ANO ANG MGA DAPAT MALAMAN?
• Posibleng lumakas pa ang Super Typhoon Bavi at umabot sa 215 kph bago pumasok sa PAR.
• Pagpasok sa PAR, inaasahang unti-unti itong hihina ngunit mananatiling isang super typhoon habang kumikilos patungo sa Ryukyu Islands ng southern Japan.
• Wala pa ring inaasahang landfall sa Pilipinas, ngunit lalapit ito sa #Batanes sa Biyernes bago tumungo sa silangan ng #Taiwan at tuluyang lumabas ng PAR sa Sabado.
• Posibleng magsimulang magtaas ng Tropical Cyclone Wind Signals sa hilaga at silangang bahagi ng Northern Luzon simula Martes ng gabi. Kung lalawak pa ang wind field ng bagyo, maaari ring makaranas ng wind signals ang silangang bahagi ng Southern Luzon at #Visayas.
• Signal No. 2 o Signal No. 3 ang kasalukuyang pinakamataas na posibleng maitaas dahil sa bagyo.

EPEKTO NG 'HABAGAT' NA PALALAKASIN NI 'INDAY'
• Inaasahang babalik ang #Habagat simula Martes o Miyerkules, na magdadala ng malalakas na bugso ng hangin.
• Mula Huwebes, lalo pang palalakasin ng Super Typhoon Bavi ang Habagat.
• Pinakamalalakas na pag-ulan ay posibleng maranasan mula Biyernes hanggang Linggo sa #Negros, #WesternVisayas, #MIMAROPA, #MetroManila, #CALABARZON, #CentralLuzon, #IlocosRegion, kanlurang bahagi ng #Cordillera, at #CagayanValley.
• Dahil dito, mataas ang banta ng pagbaha at pagguho ng lupa sa mga maaapektuhang lugar.

Pinapayuhan ang publiko na ihanda ang kanilang go bags at evacuation plans, makinig sa mga lokal na awtoridad, at patuloy na subaybayan ang mga opisyal na weather updates dahil maaari pang magbago ang forecast.

ESCUDERO AS IMPEACHMENT COURT PRESIDING OFFICER

Pormal nang inihalal si Sen. Chiz Escudero bilang presiding officer ng Senate impeachment court para sa trial ni Vice Pres. Sara Duterte.

Labindalawang senador ang bumoto pabor sa paghalal kay Sen. Chiz. Walo naman ang tumutol.

"HUMINGI AKO NG TULONG SA GOOGLE."

Senator Robin Padilla voted against the election of Sen. Francis Escudero as the impeachment court's presiding officer.

The minority insisted that the Senate president must serve as presiding officer in the trial.

"Humingi ako ng tulong sa Google kasi legal terms ito. Hindi naman ako nagtapos sa UP… Ateneo. Nagtapos ako ng criminology at UP rin: sa University of Prison.

Ang batas ay precise, hindi ito puwedeng iba-ibahin o baluktutin. Kung ano ang sinabi lalo ng Saligang Batas ay sana panghawakan natin," Padilla said. (Screenshot from Senate of the Philippines/YouTube)

KOMENTARYO mula sa Admin ng Infinitri: **Senate of the Philippines** it's a gentle advise to please fix your Visitor Management System servers.
Hindi ako nagkulang sa valid personal details, selfie and ID card. Subalit dahil sa system glitches, hindi ako nakakuha ng seat para sa pilot episode ng VP Sara Duterte Impeachment Trial.
Ang isyu ay nasa interface o UI ng registration system. Random na "Verification Failed" ang lumalabas sa entered e-mail address, at hindi pa consistent ang seat selection na madalas "0 seats available" lahat imbes na "x out of 61 seats remaining". Ang masaklap, palaging "please try again" ang error message tuwing pinipindot ang Submit button sa last page.
Madalas ding mag-down ang Senate VMS website sa buong maghapon ng bisperas ng inaabangang impeachment kick-off, at minsan mabagal o hindi naglo-load ang date selector sa first page. Bumalik lamang sa normal ang VMS nang ma-reach ang full capacity para sa 61 seats.
Pumalya man ang first-come-first-served registration para sa public viewing ng unang araw ng paglilitis, isa naman itong patunay na talagang pang-box office ang magaganap na SENATEFLIX o Litis Serye.
Sa mga ka-Infinitri rito, ito na ang inyong pagkakataon upang hindi lang masilayan nang personal ang presentasyon ng mga ebidensya at pagbubunyag ng mga katotohanan sa mga kontrobersyang kinakaharap ng nakaupong bise. Isa rin itong tsansang sulitin ang mga nalalabing buwan ng tatlong dekadang Senate Experience sa GSIS Building bago makumpleto ang New Senate Building sa Taguig.

Sinabi ni Senador Robin Padilla na humingi siya ng tulong sa search engine na Google para sa ilang legal terms kasunod ng pagpapaliwanag niya ng kanyang pahayag sa impeachment trial ni Vice President Sara Duterte.

“Humingi po ako ng tulong sa Google kasi legal terms po ito, hindi naman po ako nagtapos sa UP, hindi rin po ako nagtapos sa Ateneo. Nagtapos po ako ng criminology at UP rin, sa ‘University of Prison,’” saad niya nitong Lunes, July 6, 2026.

‘WHY DO WE HAVE TO VOTE FOR A PRESIDING OFFICER?’

Senator Alan Peter Cayetano takes the podium during the start of the impeachment trial against Vice President Sara Duterte on Monday.

“I want to avoid that this impeachment trial will be declared null and void, I want to avoid walkouts, I wanna avoid any delays. The Senate President is more than capable, he said he is willing, he said he is ready… why do we have to vote for a presiding officer?” he said. (Screenshots/Senate)

A lot of DDS bloggers are trying to paint a different narrative by claiming that Marcoleta surrendered. Ang tapang daw ni Marcoleta for bravely facing the music. What actually happened is that Marcoleta went to the Sandiganbayan requesting for a motion to quash the arrest warrant against him. They denied his motion then arrested him there. Marcoleta was desperate to prevent his arrest. His desperation made it easier for the authorities to arrest him.

To those who may not know our story, Sam is my cousin - but she's always been so much more than that. We grew up together under our Lola's roof, where we were raised with love, despite not having much. Our Lola opened her home and her heart to all of us, and that's a gift I'll never forget. When the time came, I wanted to give back to her in the best way I knew how. Just as she took us all in, I decided to take Sam in and do everything I could to help send her to school. It wasn't always easy, but today, every sacrifice feels worth it.

You did it, Spam!!!

We did it. 💛

Your success feels like my success because I had the privilege of walking this journey with you. Every late night, every challenge, every small victory - we shared them together. Seeing you graduate today is a dream come true for both of us.

I feel incredibly blessed that God gave me the opportunity to be both your Ate and your Mom. Loving you, guiding you, and watching you grow into the woman you are today has been one of the greatest blessings of my life.

You make me so proud - not just because you've earned your degree, but because of your kind heart, your resilience, and the person you've become.

As you begin this new chapter, always remember that no matter how far life takes you, I will always be here. I will forever be someone you can run to for guidance, support, and unconditional love.

And now, it's your turn to pay it forward to your sisters. Be someone they can look up to. Encourage them, believe in them, and help them chase their dreams, just as we've chased yours together.

Congratulations, Sam. Mahal na mahal kita, and I couldn't be prouder of everything you've accomplished.

And as we celebrate your graduation today, I realize that one dream has come true - and another is just beginning. If God permits, it's finally my turn. My turn to send myself to college, pursue my own academic degree, and prove that it's never too late to chase a dream. 🎓

#LATEST: Ilongga-blooded singer-songwriter Beabadoobee brought Filipino representation to one of entertainment's most talked-about celebrations after she was spotted among the guests at Taylor Swift and NFL star Travis Kelce's wedding at Madison Square Garden over weekend.

The indie-pop artist, who previously opened for Swift during the first U.S. leg of "The Eras Tour" in 2023, arrived with boyfriend Jake Erland.

While fans speculated that other personalities of Filipino descent may have attended, none have been officially confirmed.

Beabadoobee's appearance marked a proud moment for Ilonggos and Filipinos in the global music scene. | via Meriel Faith Dumapit, WVSU-COC intern/#IMTNEWS

'HINDI PO FAIR KUNG PIPILIIN NATIN ANG [IMPEACHMENT PRESIDING OFFICER]'

Senator-judge Alan Peter Cayetano questioned the election of the Senate impeachment court's presiding officer by raising a point of order.

Cayetano argued that the Senate president should preside over the impeachment court, saying the Constitution—not the Senate's internal rules—determines who should lead the proceedings.

"Kahit ako ang piliin niyo, hindi ko tatanggapin 'yon kasi mali po 'yon. Hindi po 'yon ang nakasulat sa Constitution," he said.

CAYETANO PUSHES FOR JINGGOY AND MARCOLETA'S ATTENDANCE IN VP DUTERTE'S TRIAL

Senator Alan Cayetano asks the impeachment court to consider his proposal to allow detained Senators Jinggoy Estrada and Rodante Marcoleta to participate in the impeachment trial of Vice President Sara Duterte.

"May politika sa pagpapakulong sa kanila, that's my personal view. Allowing them to attend here might add to the integrity of the proceeding," he said.

Natatandaan po ba ninyo ang tatlong BBM supporters na kinausap natin? Inimbitahan po si VP Leni sa factory kung saan sila nagtatrabaho. Siyempre po, pinaunlakan ito ni VP dahil sanay po siyang lumapit at lumapat sa karaniwang tao, supporter man niya o hindi. Panoorin po natin ang pagharap at pagsagot ng ating Presidente sa mga tanong ng BBM supporters.

What part of "I have given my life to this fight of ending the CPP NPA NDF in our lifetime" do they not get?

#1 I live for stuff like that, idiots.

It's my super payabang to my apos (when they start coming. Nagpaparinig ako sa mga anak ko.).

It sits proudly on top of the numerous death threats, the endless black propaganda by CPP media (of which DT is clearly a part of) and the baseless cases filed against me by CPP operatives like Carol Araullo, Teddy Casiño, Kaloi Zarate and a whole gamonggers of CPP fronts like Bayan Muna, Kabataan, Anakbayan, LFS, IBON, AHW, etc etc

My badge of honor.

It is proof positive to the Filipino people of how much I love them that I would go through the fire for them to end the accursed existence of the terrorist organization, CPP NPA

My badge of honor.

It is proof positive to the Filipino people of how much I love them that I would go through the fire for them to end the accursed existence of the terrorist organization, CPP NPA NDF, that Daily Tribune chooses to protect.

#2 Also, I no longer have a medical practice. Sheesh.

Don't these pretend journalists even do their homework?

My clinical practice ended the day I joined PRRD in rebuilding our country.

When he stepped out of office, I was set on getting back to my clinic in Greenhills and reclaiming my previous quiet and lovely life as a doctor but it became exceedingly clear to me that my work with PRRD was not done. And that our country was in grave danger.

So, once again, I turned my back on my lovely private practice and joined PRRD in rescuing our country.

#3 I live in Tokyo now where this suspension has no weight. Hanggang Pilipinas lang yon.

My medical license is still good here. My medical qualifications remain fully valid here. If I wanted to, I could easily practice here after completing standard qualifying steps.

In fact, I have already received offers and have a deadline of July 15 to decide.

#4 The suspension of my license in the Philippines (where I don't live haha) ends August 2026.

don't live haha) ends August 2026.

This is what makes the CPP NPA NDF livid with anger.

Through their lead counsel, true friend and defender of the CPP, Tony La Viña, the CPP aggressively demanded that my license be revoked entirely and they are still pulling strings to make it happen. I've been informed they are in cahoots with dilaw elements inside the PRC.

It could happen.

But you cannot hurt me with something I have already embraced and given my life to- a much greater cause--the healing of our nation by ending of the CPP NPA NDF in our lifetime.

Untold numbers of our soldiers and policemen have died fighting this terrorist organization. MILLIONS OF LIVES OF OUR CHILDREN HAVE BEEN DESTROYED AND LOST. MILLIONS OF FILIPINO FAMILIES HAVE BEEN DEVASTATED AND BROKEN BEYOND REPAIR BECAUSE OF THE CPP NPA NDF FRONTS LIKE ALLIANCE OF HEALTH WORKERS.

My sacrifice, in the greater scheme of things is nothing.

Media outlets like Daily Tribune are part of the very echo chamber that keeps the CPP NPA NDF alive.

This post by Daily Tribune is a classic CPP post meant to put back the mask of legitimacy onto the ALLIANCE OF HEALTH WORKERS --a mask I stripped away when I exposed them. It is meant to destroy my credibility so they can recruit even more of our children into violent extremism.

The CPP NPA NDF could not have destroyed our country and murdered untold numbers of our children, men and women in uniform WITHOUT THE ACTIVE COMPLICITY OF MEDIA OUTLETS LIKE DAILY TRIBUNE.

extremism.

The CPP NPA NDF could not have destroyed our country and murdered untold numbers of our children, men and women in uniform WITHOUT THE ACTIVE COMPLICITY OF MEDIA OUTLETS LIKE DAILY TRIBUNE.

Keep this in mind and remember this post of the Daily Tribune. This comes straight from the Central Committee and it targets what is most precious to us: our children.

THIS IS HOW WE WILL END THE CPP NPA NDF IN OUR LIFETIME--TOGETHER AS ONE NATION READY TO CRUSH THESE CRIMINALS.

ILOILO CITY – United States Ambassador to the Philippines MaryKay Carlson expressed satisfaction with the progress of US government-supported projects here during a visit on Friday.

Carlson met with Mayor Jerry Treñas and key department heads to discuss various initiatives in health, education, environmental conservation, and business streamlining backed by the US, including partnerships with the United States Agency for International Development (USAID).

"I had a wonderful meeting with the mayor and received an excellent briefing on the city's projects. We are very happy at the United States embassy to see so many of our initiatives making a difference," Carlson said in a brief media interview.

Treñas highlighted the USAID's role in the Iloilo River Development Master Plan, which laid the foundation for the Iloilo Esplanade project that saved the river from degradation.

Iloilo City is also a recipient of the USAID-funded Advancing Basic Education in the Philippines, aimed at improving the literacy and math skills of children.

"We are very happy with your project in education. Iloilo City has the highest literacy rate among all the provinces in Western Visayas," Treñas said, adding that the target is to reach 100 percent from the current 94 percent.

The city's Local Economic Development and Investment Promotions and Data Assessment and Systems Management Office are collaborating with USAID on the Urban Connect Project, which has modernized business permitting with an end-to-end online system.

Carlson, planning to explore Iloilo during her stay, expressed enthusiasm about experiencing the city's renowned culinary heritage as a UNESCO City of Gastronomy. *(PNA)*

SUBPOENA SA MGA DOKUMENTO NINA VP SARA, MANS CARPIO

Hiniling ng House prosecution sa Senate impeachment court na mag-isyu ng subpoena para sa paglalabas ng bank records nina Vice Pres. Sara Duterte at asawang si Manases Carpio.

Nais din ng prosekusyon na makuha ang reports mula sa Anti-Money Laundering Council (AMLC) hinggil sa covered at suspicious transactions na umano'y konektado sa mag-asawa.

Layon din nilang maisyuhan ng subpoena ang bank managers ng ilang bangko at representatives mula sa AMLC.

Binigyan ang prosecution at defense ng limang araw para maghain ng komento sa isyu. #VPSaraOnTrial

'KAPAG NABIBILI ANG OPISYAL, NABUBUDOL ANG BAYAN'

Lead prosecutor Gerville Luistro delivers the House prosecution panel's opening statement during Vice President Sara Duterte's impeachment trial on Monday.

"Your honors, at the center of this case lies a simple question, perhaps the most important to any republic: When the people entrust power to a public official, does the public official remain accountable to the people or do the people become accountable to the public official?" she remarked.

"The Constitution's answer is very clear: power belongs to the people."

What's the Update on the Report About 20 Feral Cats Allegedly Used for Experiments Every Semester?

We are reposting this solely to ask whether there have been been any official updates, clarifications, or responses regarding this reported an alleged practice involving the Biology Department of a university in Cebu City.

Twenty lives. Every semester.

If accurate, this information raises difficult questions that deserve clear answers.

How many other universities are still using feral cats or dogs in this manner? Are similar practices happening in veterinary, biology, or other animal-related courses across the Philippines?

If so, are there ethical review processes, humane standards, or modern alternatives that could replace the use of live animals?

Education should advance science without losing compassion. Future veterinarians, biologists, and researchers are expected to protect animal welfare while pursuing knowledge. If live animals

the public deserves transparency about why, how, and whether more humane methods are available.

This is not an accusation or attack against every university or every veterinary program. It is a call for accountability, transparency, and an honest national conversation about the treatment of animals in educational institutions.

If you are a student, faculty member, or veterinarian, we encourage you to share factual information about how animal laboratories are conducted in your institution. Public awareness begins with truthful and responsible discussions.

Lost New England
15h ·

Last week I hiked Mount Lafayette in the White Mountains of New Hampshire. At 5,249 feet, it is the highest mountain in the state outside of the Presidential Range, and it has long been one of the most popular hikes in the region. I wasn't planning on doing any then-and-now photos on the hike, but when I reached the summit I noticed the foundation of a building that had once stood here. I was able to find a few photos of it, so I took some present-day photos of the scene.

The top photo was taken around the 1860s, and it shows a small summit house with people and horses in front of it. At the time, visitors could ride up the mountain on horseback on what is now the Old Bridle Path, and this building provided shelter here at the summit.

The building was not here for very long, and today there is nothing left except for a low rectangular foundation. It's hard to see the foundation from this angle, because it blends in with the rest of the rocks on the summit, but it is just high enough to provide a small amount of shelter from the wind for modern-day hikers.

Throughout Church history, God has granted extraordinary gifts to His saints, including the miracle of levitation — a visible sign of deep union with the divine that defies the laws of nature. Here are six remarkable saints known for this phenomenon, inspiring awe and greater faith worldwide:

1. St. Joseph of Cupertino (1603–1663) — The most famous “flying saint.” This humble Franciscan was often lifted high into the air during Mass, prayer, or at the mention of Jesus’ name. Witnesses recorded over 70 instances, making him patron of pilots and air travelers.

2. St. Teresa of Ávila (1515–1582) — Doctor of the Church and Carmelite reformer. She experienced levitations during mystical rapture, sometimes rising about half a meter off the ground for extended periods, which she described with both wonder and embarrassment.

3. St. Francis of Assisi (1181–1226) — Founder of the Franciscans. Accounts describe him suspended in the air, often several feet high, during intense prayer and ecstasy.

4. St. Catherine of Siena (1347–1380) — Mystic and Doctor of the Church. She was seen levitating while in prayer, with one priest witnessing the Eucharist miraculously reaching her.

5. St. Alphonsus Liguori (1696–1787) — Founder of the Redemptorists and Doctor of the Church. He was observed levitating several feet while preaching to a congregation.

6. St. Mary of Jesus Crucified (Mariam Baouardy) (1846–1878) — Palestinian mystic canonized in 2015. This modern saint levitated on multiple occasions as a sign of her profound love for God.

These miracles remind us that nothing is impossible with God. They point not to the saints themselves, but to the supernatural reality of holiness and the power of prayer. In a world skeptical of the divine, these stories invite us to deeper faith and trust in God’s wonders.

Sa bisperas ng pagsisimula ng mapaghating impeachment trial ni Vice President Sara Duterte-Carpio, nakatikim ang bansa ng kinakailangang inspirasyon at pagkakaisa dahil sa tennis sensation na si Alex Eala, ayon kay Sen. Panfilo "Ping" Lacson nitong Linggo.

VP SARA, INIHALAL ‘BUNGA NG MALAYANG PAGPAPASYA’ NG MGA PILIPINO — DEFENSE

Kinuwestiyon ni lead defense counsel Shiela Sison, ang layunin ng House prosecution na patalsikin si Vice Pres. Sara Duterte na inihalal ng milyon-milyong botante.

“The prosecution proposes that we unseat the Vice President elected to office by more than 32 million Filipino people, more than the number of votes cast for the sitting President,” ani Sison.

“[It is also] much greater than any of the votes secured by each of the members of the House of Representatives who now are here to prosecute her and seek to undo this people's choice,” dagdag niya.

Ang malinaw na layunin sa likod ng mga paratang na ito ay ang pagpapatalsik sa isang bise presidenteng inihalal ng mahigit 32 milyong Filipino.

'NO SUCH THING AS 'FISHING EXPEDITION"

Iginiit nina House prosecutors Rep. Gerville Luistro at Rep. Chel Diokno na walang naganap na "fishing expedition" sa pagbuo ng impeachment case laban kay Vice Pres. Sara Duterte.

Ayon kay Diokno, bahagi ng mandato ng Kamara ang magsagawa ng imbestigasyon bago ihain at usigin ang isang impeachment case. Hindi umano maaaring ituloy ang pag-uusig nang walang sapat na pagsisiyasat at ebidensiyang nakalap sa tamang proseso.

Binigyang-diin naman ni Luistro na mahigpit na sinunod ng Kamara ang bawat tuntunin na umiiral ara sa impeachment trial. Tiniyak din nilang ang lahat ng hakbang ay legal, konstitusyonal, at naaayon sa batas.

The Philippine Senate will begin the impeachment trial of Vice President Sara Duterte on Monday. The trial could shape the country's 2028 presidential election and deepen the political rivalry between the Duterte and Marcos families.

Sara Duterte is accused of misusing public funds, having unexplained wealth, and threatening President Ferdinand Marcos Jr., the First Lady and a former House Speaker. She denies all the allegations and says the impeachment is politically motivated.

The Senate will act as an impeachment court, and at least 16 of its 24 members must vote to convict her. If found guilty, Duterte could be barred from running for president in 2028.

This video covers the initial proceedings of the **impeachment trial** of Vice President **Sara Duterte** at the Philippine Senate. The session was marked by a tense exchange between the prosecution and the defense regarding procedural matters.

Key Highlights:

- **Procedural Debate (0:00 - 11:03):** Representative **Gerville Luistro**, the lead prosecutor for the House, moved for the formal reading of the four articles of impeachment and the entry of a plea for each. Attorney **Shiela Sison**, counsel for the Vice President, opposed this, arguing it was unnecessary as the respondent had already filed an answer and appeared through counsel. The Senate presiding officer ultimately **denied the motion**, ruling that the articles were already deemed read upon referral and that a formal plea would be entered during the final resolution.

- **Prosecution's Opening Statement (15:34 - 29:26):** Representative **Luistro** framed the impeachment not as a political tool, but as a constitutional necessity to uphold accountability. The prosecution outlined **four key areas** of accusation:
- **Confidential Funds:** Alleged irregularities in the disbursement and liquidation of over 612 million pesos (18:21).
- **Unexplained Wealth:** Concerns regarding billions of pesos in financial transactions associated with the respondent and her

liquidation of over 612 million pesos (18:21).
- **Unexplained Wealth:** Concerns regarding billions of pesos in financial transactions associated with the respondent and her husband (19:40).
- **Bribery and Corruption:** Allegations of cash distributions to officials (20:51).
- **Constitutional Order:** Claims of culpable violation of the Constitution through public statements threatening order (22:06).

- **Defense's Opening Statement (29:49 - 45:57):** Attorney **Sison** argued that the impeachment proceedings were politically motivated and urged the court to uphold the rule of law. The defense maintained that:
- The burden of proof rests entirely on the prosecution, which it claimed has failed to discharge.
- The allegations regarding confidential funds are unsupported by final **Commission on Audit** (COA) findings and followed established government approval processes (39:18).
- The court must remain impartial, emphasizing that the **Bill of Rights** and the presumption of innocence are paramount (43:07).

The U.S. president shared a meme on Truth Social mocking Meloni, posting an image of the Italian leader with the caption, "Restraining order needed." The post quickly drew attention as the latest flashpoint in a dispute that has simmered since last month's G7 summit.

The timing has added to the controversy, with Trump and Meloni set to meet at the NATO summit in Turkey, raising fresh questions about the state of U.S.-Italy relations and whether the personal tensions could overshadow key alliance discussions.
